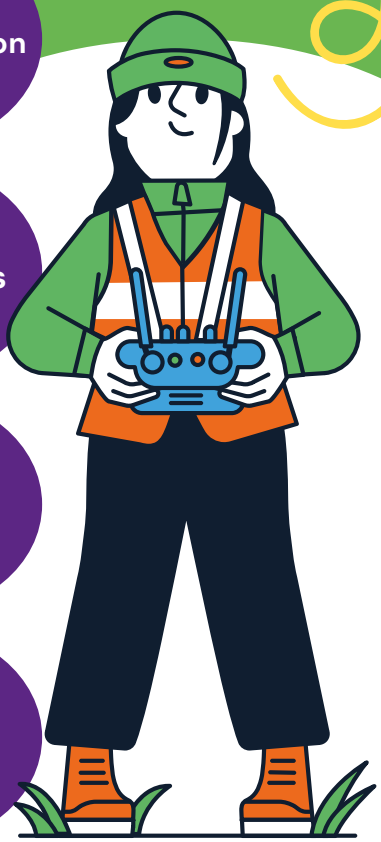
- Wellbeing



Plus

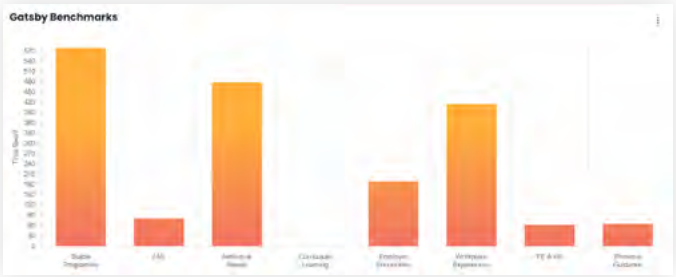
Careers Plan tool

- The Morrisby platform allows you to compile a comprehensive careers plan based on the activities and lessons that you deliver
- Add your own activities (such as careers fairs, assemblies, mock interviews)
- Generate a high-quality document automatically.

Plus

Gatsby and Skills Builder tracking

- As your students complete lessons and take part in activities, the Morrisby platform automatically records their progress against the Gatsby Benchmarks and the Skills Builder framework
- The Gatsby data can then be imported into Compass+ to allow you to record activity data while at the same time keeping this information visible to students in their Learner Passport and other staff via the Morrisby student page.



We believe that everyone should have the opportunity to realise a fulfilling future.

Since our founding in 1967 we've been using our expertise in assessment, guidance and technology to identify potential and match individuals to their best career and educational opportunities.

We are Matrix accredited for the delivery of information, advice and guidance, and hold certifications for both ISO 9001 (quality management) and 27001 (information security).
