

Ignite **Ambition**

Power **Potential**

Kickstart **Careers**

Springpod *Explained*

Springpod helps you **ignite ambition**, **power potential**, and **kickstart careers**. We offer immersive, online career education experiences – from virtual work experience and subject tasters to employability programmes – that connect your students with top employers and educators.

They'll explore real options, build confidence, and develop the skills they need to take their next step. All for free, and designed to support your existing careers provision.

Year 7 and 8

Coming soon ... Spring 2026

AI Interview Coach

An interactive online tool that allows students to practice real interview scenarios and receive instant, personalised feedback, helping them build confidence before the real thing.

A valuable resource to support students as they prepare for applications and interviews, with customisable **features designed to enhance accessibility**.

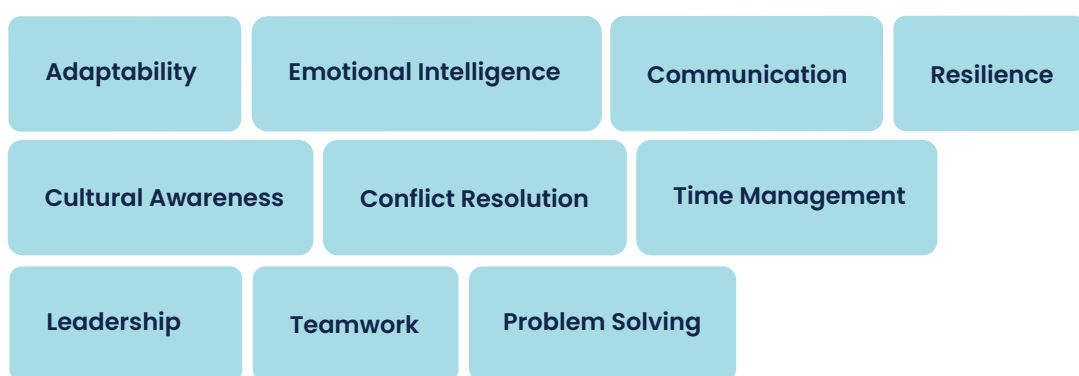

Employability Skills Programme

10 Interactive modules will help students:

- Understand the value of each skill
- See how it's used in the workplace
- Build confidence through hands-on activities

Skills:
