Tools: How and Why

- What are Tools?
- Why might we use them ?
- When ?
- At what stage?
- With whom?
- How do we choose which one?
- What is the impact on Client and Career Development professional?
- And on the relationship ?
- What challenges might we find?
- How do we know if they help ?

Reflective practice One

- Why do I use tools?
- With whom?
- How do I know if tools work?

Reflective practice Two

- How and why might you use tools differently after today ?
