STEM CAREERS

Liz Painter

56m £15.00

STEM Careers

Trotman Digital

Hear careers professional and former science teacher, Liz Painter, share ideas, and more, from her new book, *STEM Careers (2nd Edition)*. This session is 'stand-alone' from the book and will help careers professionals and teachers unlock the huge topic of STEM careers, offering hints and tips for use with young people. Whether you work one-to-one with students, conduct small group work or lead classroom activities, you'll gain new ideas to share with colleagues, young people and their families.
