

Claire Nix

Claire Nix receives her Fellowship for her amazing contribution to the Careers Sector over a sustained period of time, and the tireless work she has done to improve careers education and guidance for young people:

- She led the National Careers Education Support programme for the DCSF which saw a careers education programme going into every school in England
- She has managed projects on behalf of the CDI to raise the profile of the Institute and generate income such as the World Skills Toolkit; managed the Staff Room and workshops at the National World Skills live events for three years
- She is a large contributor to the development of the CDI Academy and has written the Level 6 training programme for the full guidance award. She has led on the Career Theory training materials for the Level 6 Certificate in Careers Leadership
- Claire has worked on the Quality in Careers Standard as an assessor and is a Panel Assessor for the Award, working closely to support the licensed providers achieve recognition
- She has written work for the Careers & Enterprise Company which includes the SEN Toolkit
- Claire has been a founder member of the Community of Interest for Careers Education, a strategic group for the CDI which works closely with the CEO
- Claire has also been a Board member of the CDI and sat on the Finance committee
- She is an active member of NICEC

Claire brings a richness and an expertise that is greatly appreciated by the many schools she has and continues to work with to raise the profile of careers education and guidance. Her 'can-do' attitude is infectious, and is a testimony to her immense knowledge and understanding of the sector.
